

Claas Reimer – Nevermind (CLSRM 001)

Releasedate: April 1, 2011

The first release on CLSRM Digital „Nevermind“ features 3 different tracks of House, Tech House / Techno and Electrobreaks from the german producer and DJ Claas Reimer. Again he shows his typical style by using futuristic space sounds, jazzy influences, driving beats and boomin basses.

| ID | Name | Time | Description |
|----|-------------|------|---|
| 01 | Nevermind | 6:34 | It`s midnight in Europe - invaders from space are arriving and using their laserguns while we are sleeping. This track was also featured in the german movie "Freier Fall"! |
| 02 | Wanna play? | 8:07 | Menkind strikes back with breaking kung fu styles. |
| 03 | Nightshift | 6:58 | War is over. We left the city behind us and expect a beautiful morning. |
