

## Claas Reimer – Back From The Vault (CLSRM 011)

*Releasedate: February 14, 2020*

Since the start of CLSRM Digital in 2011 Claas Reimer has released a bunch of original tracks on his imprint. This is an essential collection including a wide range of genres: From Downbeat and Chillout to Deep House and House up to Techhouse, Techno and Elektro.

Always keeping a focus on a minimal spirit as well as one eye to the dancefloor.

ID	Name	Time	Description
1	Geisterstadt	5:31	A relaxed downbeat track with Rhodes, Reggae vocals, a deep walking bassline and sounds of tweeting birds – easy summer feeling.
2	Cyberjazz	3:43	A deep and melancholic, jazzy and minimal track.
3	Pick Up	6:27	Good vibes in the place. Feel good.
4	Rise	5:15	Good temper Tech House for your pool party in summer.
5	Stomp (Refurbished Mix)	7:54	Peaktime Techno track with sawtooth basslines and mystic melodies.
6	Overload	7:45	Peaktime track with a driving bassline and mad percussions.

7	Miles Away	7:31	Pumpender und rollender Tech House / Techno Track mit jazzigen Einflüssen und tiefer Bassline.
8	Done	6:48	Rolling Techno with a mystic touch and acidic sounds.
9	Out Of The Darkness	9:24	A strong and forward driven piece of Techno combining dark and positive elements to an explosive mixture.
10	Gently Squeezed	5:56	Tech House track for the summer. With jazzy vocals.
11	Frequency Hunting	7:10	A minimal combination of Tech House, Techno and Electro with a certain space feeling.
12	District 9	5:57	A piece of smooove and atmospheric Electronica.
