

Claas Reimer – Heartbeat Remixes Vol. 2 (CLSRM 018)

Releasedate: Januar 14, 2022

For the labels 10th anniversary we are really happy to present some special releases with remixes from several great producers in electronic music around Europe:

Laurent Humblot is a french producer that works his music under his The Element moniker with originals and remixes released worldwide on several great labels. Together with Steve Fastbinder he is also running the label Drakkar Recordings as well as his own imprint E.recordings.

Carsten Sommer from Germany has been serving different genres with his band projects Garbo and Juno Lux as well, the synonyme “T.O.N.” and his real name Carsten Keller (now Carsten Sommer). Additional to that he was also running his own imprint Schaltkreis and composed music for many commercial audio-visual media projects working for a lot of worldwide known brands. For the dance theatre production “Pop Eye” he has won the dance price of the “SK Foundation” from Cologne.

ID	Name	Time	Description
1	Coast Guard (The Element Remix)	4:24	Dope and some kind of weird mixture of Hip Hop, Breaks and Electronica.
2	Black Space (Carsten Sommer Remix)	5:19	Cinematic and epic piece of music.
